

# eBerlitz Self-Study

Berlitz, among the worldwide leaders in global communications,  
has the ideal language course for today's busy lifestyles!

Berlitz Online offers flexible access to interactive online language learning designed for today's busy lifestyles. Berlitz Online provides its users with new learning strategies that enable them to better manage time and learn new languages and business cultures quickly and effectively.

Berlitz is committed to offering the best online learning solutions and we have found the ideal partner in Auralog, a multimedia publisher specializing in language learning solutions. Their highly-regarded Tell Me More program offers cutting-edge speech recognition technology and thousands of hours of in-depth content.

## eBerlitz Self Study

The short-term commitment and interactive online environment keeps students focused and interested in learning. Our 100 % online self study course is our most flexible language program perfect for introductory learners or excellent refresher courses. eBerlitz Self Study offers thousands of fun and exciting exercises that focus on listening comprehension, reading comprehension, speaking and writing. Each activity presents a different combination of voice, text, and pictures. Online tracking and reporting rounds out this complete language learning experience.

### eBerlitz Self Study contains:

- Placement test to determine student's level
- Access to online language training program for 1 year

- Detailed reports sent to the student and summary reports sent to the training manager
- A language achievement test to evaluate levels in relation to major standardized tests (TOEIC, TOEFL, The European Language Certificate)

## What languages are available?

English (American, British), Spanish, Italian, French, German, Dutch

Additional languages are available through Berlitz Virtual Classroom
